

# Creature Craze<sup>SM</sup>

In the 2016-2017 **FIRST<sup>®</sup> LEGO League Jr. Challenge**, over 40,000 children ages 6-10 will dive into the wonders of the animal kingdom.

While exploring the real-world theme, teams will use basic engineering concepts to build a model made of LEGO<sup>®</sup> elements. They will also learn to present information through a *Show Me Poster*. Throughout their experience, teams will operate under the **FIRST<sup>®</sup> LEGO<sup>®</sup> League Jr. Core Values**, celebrating discovery, teamwork, and *Gracious Professionalism<sup>®</sup>*.

**Swing like a monkey, fly like a bat, or hop like a frog!**

*Whether in zoos, on the farm, or in your own back yard, we all encounter animals in our lives. What will you learn about our furry, feathered, and finned friends?*

**Global Challenge Release:  
AUGUST 1, 2016**
